Financial Policy

Thank you for choosing our office as your dental healthcare provider. We are committed to providing you with the highest quality lifetime dental care, so that you may attain optimum oral health. The following is a statement of our financial policy, which we require that you read, agree to, and sign prior to any treatment. Payment is due at the time of service, IN FULL. Our office accepts cash, personal checks, credit cards, and outside patient financing, such as CareCredit.

Do you have dental insurance?

- Our office is out of network with any and all insurance companies.
- We must emphasize that as your dental care provider, our relationship is with you, our patient, not with your insurance company. Your insurance is a contract between you, your employer, and your insurance company.
- As a courtesy to you we will help you process all your insurance claims. Please understand that we will submit dental claims after all services, however, it is not a guarantee that your insurance will pay exactly as estimated. Your insurance company and your plan benefits determine the amount paid. We will, of course, do all we can to make sure your reimbursement is as accurate as possible.
- If your insurance company has not made a payment within 60 days, we will ask you to contact your insurance company to make sure payment is expected.
- If your insurance claim is denied, you will be responsible for calling our office and informing us of any insurance requests.
- We ask that you sign this form and/or any other necessary documents that may be required by your insurance company. This form instructs your insurance company to make payment directly to YOU, not our office.
- We ask that you pay the full treatment plan, which is an estimated amount, not covered by your insurance company by cash, checks, credit card and/or CareCredit at the time we provide the service to you.
- We will cooperate fully with the regulations and requests of your insurance company that may assist in the claim being paid. Our office will not, however, enter into a dispute with your insurance company over any claim.

We thank you for the opportunity to serve your dental health care needs and welcome any questions you may have concerning your care or our financial policy.

I have read, understood and agreed to the above terms and conditions. I understand that responsibility for payment for dental services provided in our office for myself or my dependants is mine, due and payable at the time services are rendered unless financial agreements have been made. By signing below, you agree to our terms.
